Professional Summary

Motivated software developer with hands-on experience in Java, web development, and UI design. Eager to contribute technical skills and adaptability to a dynamic software development team while continuously learning emerging technologies. Strong foundation in object-oriented programming, problem-solving, and collaborative project work.

Projects

Crime Record Management System · May 2025 - July 2025

Java Swing (GUI) AWT OOP Collections (ArrayList)

- Developed a Java-based desktop application using Swing to manage crime records efficiently.
- Implemented features for adding, searching, and deleting records with a user-friendly GUI.
- Utilized object-oriented programming and Java collections (ArrayList) for effective data management.
- Designed responsive layouts with layout managers and improved user experience through input validation and message dialogs.

Spotify Clone · Jan 2025 - Feb 2025

HTML CSS

- Built a responsive Spotify UI clone using HTML and CSS, leveraging Flexbox and Grid for adaptive layouts.
- Designed and styled core components such as the sidebar, player, and playlist, following clean code practices with semantic HTML and modular CSS.

Portfolio Website · Oct 2024 - Nov 2024

HTML CSS JavaScript

- Designed and developed a personal portfolio website to showcase projects, skills, and achievements.
- Implemented responsive design using CSS Flexbox and Grid, and enhanced interactivity with JavaScript.
- Focused on clean UI/UX to improve user engagement.

Education

Bachelor of Technology · Computer Science · 7.52 · Present
Technocrats Institute of Technology– CSE, Bhopal, M.P.

Higher Secondary (12th) · 80.67% · Jun 2021 - Apr 2022
Sharda Vidhya Niketan Hr. Sec. School, Guna, M.P

Secondary (10th) · 86.67 · Jul 2019 - Apr 2020
